Your response to this survey is very important to us. The results will be used to help Kaiser:

- Make decisions about current and new health information and health improvement services
- Learn about the health-related needs and interests of our culturally diverse adult membership
- Conduct health research to improve the health and health care of our members and the communities we serve.

Your answers are absolutely confidential. No reports using survey information will use your name, and your individual responses will not be given to anyone outside the research department. Your name and study ID number are on the questionnaire so that we can note that you returned the questionnaire and re-contact you, if needed, to clarify your answers.

Please refer to the enclosed letter and information sheet for more details. If you still have any questions about confidentiality, the purpose of the survey, or how to complete the survey, please call toll-free: **(1-800) 723-8055 (choose Member Health Survey)** or e-mail us: **MHS2005@kp.org**.

Because people were specially selected for this survey based on their age, sex and medical facility used, **this questionnaire must be filled out ONLY for the person named above.**

Please write your phone number, e-mail and any address corrections above.

Thank you for your participation!

Nancy P. Gordon
